

<b>Bindicator</b> (Celtek Electronics)	Phase Tracking continuous level monitoring (Dry and Liquids) Guided wave radar, yo-yo's, etc.
<b>GREYLINE</b>	Ultrasonic Level Transmitters and Switches, Open Channel Flow Monitors, Doppler Flow Meters, Pump Station Level Control, Ultrasonic Tank Farm Level Systems, Transit Time flow meters, Variable Area flow meters
<b>INTEMPCO CONTROLS</b>	Temperature sensors (RTD's, Thermocouples, Thermowells), transmitters, wire and connectors RF Capacitance Level Switch and continuous probes Humidity Sensors and Controllers, Wet bulb\Dry bulb Data Acquisition Chart recorders, Controllers, Calibration equipment,
<b>ITS</b>	Babbitt RF and Ultrasound Level switches, Broken Bag Detectors Eurotron Calibrators (for Tc, RTD, ohms, mV, mA, V), combustion gas analysers, sample conditioners, infrared thermometers. Smar Temperature and pressure transmitters (4\20+Hart+FIELDBUS), PLC's
<b>JLS</b>	Circuit board manufacturing. Fast delivery. Thru-hole to surface mount conversion. Assembly.
<b>Scale Tron</b>	Silo weighing - load cells and strain guages Batch control systems for dry bulk and liquid mixtures RadarTron microwave moisture sensor for granular materials Ocmix twin shaft and planetary concrete mixers Crane Scales Pallet Scales, Platform Scales, Counting Scales
<b>SIVA</b>	Delta Emission monitors, Dewpoint, Calorimeters, On-line Liquid Analysers Reigl Laser distance sensors, 2D & 3D Scanners Siva Valve manifolds: 1 to 5 valve, needle, ball and gauge manifolds, headers etc.
<b>Campbell Scientific</b>	Sirco: Portable and Stationary water samplers Data Aquisition and data loggers Turbidity, pH and suspended solids monitors Weatherl monitoring stations
<b>MISCELLANEOUS</b>	Bebco Enclosure Protection Systems, Hax Pneumatics Dry bulk flow controllers, Gain-in-Weight and Loss-in-Weight feeders, non-contact Motion Meter Precision Digital Digital Panel Meters - Universal Process Meter, mV Meter, Flow totalizer & Tachometer/Rate Meter, Loop-powered meters, 4 Point annunciator Precisioneering FRP Scrubbers, fans, hoods, ducts and stacks; FRP tanks; oil water separators. Southwell Strongwell: Fiberglass (FRP) structures and systems. Plates, structural shapes, gratings, ladders, railings, studs and nuts, building panels, flooring and decking, baffle plates.
